

Joe Andreoli
President of the Fraternal Order of Police
Treasure Valley Lodge.

Joe is an 18-year veteran of law enforcement and holds the rank of Corporal with the Boise Police Department. Andreoli has served as a patrol officer, field training officer, neighborhood contact officer, narcotics detective, gang task force officer, training coordinator, and has been an operator on the Special Operations Unit for over a decade. For the past 12 years, Andreoli has served on the executive board of the Fraternal Order of Police Treasure Valley Lodge, acting as a passionate and dedicated leader for its 560+ members of local law enforcement community throughout Idaho.

Joe is passionate about the voice of the rank-and-file and dedicates his time to serving the community every day, whether it be in uniform or through the FOP, or the TVL 11 Foundation he helped create alongside his lodge members in 2017. The TVL11 Foundation provides assistance to city police officers, sheriff's deputies, probation and parole officers, dispatchers, and support staff as well as community members in need.

"In the law enforcement community, we bear witness to, on a daily basis, the problems facing our profession, our communities, community members and our youth," explained Andreoli.

We are excited to hear from Joe about the challenges that our rank-and-file law enforcement officers are facing in Idaho.
